By ROBERT BERRELLEZ BRASILIA, Brazil (AP) - The Brazilian Senate approved a bill early today calling for immediate congressional election of an interim president to serve the 20 months left of Joan Goulart's

With speedy approval of the bill expected in the Chamber of Deputies, the election appeared likely to take place Thursday This was the target date report edly set by the military leaders who overthrew Goulart and are anxious to restore the government before any new crises arise. Lawford, Wife Barred From Apartment Buy

NEW YORK AP - Pete Lawford and his wife Pat s F. Kennedy, have been barred from buying an apartment in a fashionable 15-story cooperati bere reportedly because he is at actor and she is a Democrat

The apartment's owner, so cialite Charles Amory said Monday night he was ready to sell to the Lawfords when a hitch developed

"I can't understand it." Amory was quoted in the New York Daily News "The Lawfords are wonderful people All arrangements have been completed and the papers signed

"However, certain individuals in the building have refused to endorse the sale because Peter Lawford is an actor and Mrs. Lawford is a Democrat

The apartment building is at 117 E. 72nd St. just off Park Avenue.

A tenant, who asked not to be named, said one of the five members of the building's board of directors turned thumbs down on the Lawfords. Unanimous approval by the board is required on all sales

The tenant said a two-thirds vote of stockholders-the tenants in the building-would permit the Lawfords to buy the 16room apartment, the tenant

Stanley Lowell, chairman of the City Commission on Human Rights, said he had told a caller who inquired about the sale that the law forbids discrimination on grounds of race, religion or national origin, but it does not cover political or occupational fields.

The Lawfords, parents of four could not be reached immediately for comment.

consisted of five hearts and five shown the hearts first-since this is the higher ranking suit.

ie was content to accept that

West opened the three of dia monds. The ace was played from the dummy, followed by the ace of spades on which de clarer discarded his remaining diamond. A club was led to the ace and a small club ruffed with the deuce of hearts

South reentered his hand t ruff another club with the sev en of hearts. East over ruffed with the eight and returned a trump. Declarer played the ace and then drove out West's king of clubs A diamond return brought South down to two trumps, but a heart lead bumped the king and queen together. Declarer ruffed the return with the only remaining trump and ran his established club suit

East erred when he overruffed the dummy on the third round of clubs Since South's hand is revealed after the first two tricks to be all hearts and clubs, it is vital for East to preserve his trump holding intact to prevent the declarer from making profitable use of his

Observe the effect if East takes a discard on the second club ruff South will presumably ruff himself in once more in order to trump out the king of clubs. East may now over ruff the nine of hearts with his queen in order to force South again by leading the king of spades. Declarer is down to the ace-jack of hearts and two high clubs. With each of his opponents retaining two trumps. however, there is no way for South to utilize his clubs. No matter what he does, he can take only the ace of hearts and must in the end fall one trick short of his goal.

FOR THRIFT

A precision-made thermometer or barometer is yours free...just for saving at Western!

Your gift ... when you add to your Western Federal Savings account or start a new savings account of \$500 or more...a fine quality aneroid barometer or a sensitive dial thermometer. Both are accurate instruments carefully made by West German craftsmen. Both have white dials, brass dial frames and polished walnut finished casings that blend with traditional or modern decor. The barometer has been pre-set for our milehigh altitude and has a set hand and knob. The attractive thermometer has a raised glass face. Choose one of these precision made weather instruments now as your gift for thrift.

Celebrating a perfect 73 year safety record!

No saver has ever suffered a loss and good earnings have been paid twice each year for 73 consecutive years! Currently Western Federal Savings accounts earn 41/4% per annum, they are insured by an agency of the U. S. Government, and your funds are readily available. Start your account of \$500 or more now and select a fine weather instrument free...just for saving!

FINANCIAL PUNCTURE GET

If you're like most people, you've given up the idea of being the richest man in town. But chances are you're still interested in how you can get the things you need for yourself and your family. A suggestion to the wise is this: Borrow where you pay a low rate of interest. And that's at your bank, where rates are traditionally lower. Get a Bank Rate Loan to reduce the cost of borrowing. One of the many services at your Full Service Bank.
